FEATURE ACCEPTANCE CHECKLIST

Client confirmation of implemented features

SYSTEM TITLE	**Student Exam & Results Management System**
Client / Organization	Wayamba University of Sri Lanka
Date of Acceptance	
Verified by (Name & Designation)	

Features

Main Feature	Feature	Implemented	Remarks
Authentication & Accounts	University e-mail login, lecturer sign-up, password reset, profile settings, role-based dashboards	**Yes**	Open: server-side API authorization; verified sender domain for live reset e-mails.
System Administration	Create/delete user profiles, grant HOD, lecturer and examiner access, assign Second Examiners	**Yes**	Second Examiner assignments lock once a marksheet is submitted, frozen or finalised.
HOD Console	Add, edit and delete modules (lecturer, eligibility, deadline), lecturer roster, result sheets	**Yes**	Result sheets show Grade, handover details and second-marking variance.
Marks Management	CA and final-paper marking from a blueprint, absence, eligibility, roster paste, Excel import	**Yes**	CA types incl. MCQ; individual/common weighting; highest-scoring answers count.
Second Examiner Workflow	Handover and recall, independent second marking, variance check, reconciliation	**Yes**	Weighted variance above 1 needs First Examiner approval, then reconciliation.
Results, Grading & Reports	Marksheet summary with letter grade, CSV export, Excel templates, print/PDF marksheets	**Yes**	Grade uses the unrounded mark (69.5 shows 70, grade A-); absence gives I, zero gives E.

Declaration

By signing below, the client confirms that the features marked as Implemented in Section C have been demonstrated and tested, and are accepted as satisfying the corresponding requirements. Items recorded in Section E remain open and do not constitute acceptance. Acceptance of the features listed here does not waive any warranty, support or defect-rectification obligation agreed in.
